

PUR Fibreglass Foam Glasswool Sandwich Panel Insulation Acoustic Wall Roofing

Our Product Introduction

Basic Information

- Place of Origin: HEBEI, CHINA
- Brand Name: BAODU
- Certification: CE
- Minimum Order Quantity: Discussible
- Price: \$10-12 square meter
- Packaging Details: In general, for steel structure, we use the steel frame packing to keep goods not to be broken. For sandwich panel and color steel sheet, we use the plastic packing. If the clients need special packing will according to their requirements.
- Delivery Time: 15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 5000 Square Meters per Day

Product Specification

- Color: RAL
- Thickness: 50mm-200mm
- Length: Customized
- Application: Wall, Building, Warehouse, Roofing, wall And Roof
- Usage: Construction Insulation, shop, Outdoor, office
- Effective Width: 1000mm
- Density: 64kg/m³
- Product Name: Insulated Wall Roof Glass Wool Sandwich Panel Color Steel Metal Plate Board
- Steel Thickness: 0.4mm-0.8mm
- Advantage: Superior Fireproof-insulation, fire Proof, Light Weight & Easy To Install, Fireproof, Innovative Technology
- Highlight: **Roofing Glasswool Sandwich Panel, Acoustic Glasswool Sandwich Panel, PUR fibreglass foam sandwich panel**

Product Description

PU PIR PUR Glass Wool Sandwich Panel Insulation Acoustic Wall Roofing

Baodu has high quality glasswool sandwich panels. The core material of this product is high quality glass wool. Through ultra-long precision double-track curing, the product in noise reduction, environmental protection, fire prevention, heat preservation and other aspects of the effect is remarkable.

ADDITIONAL FEATURES OF GLASSWOOL SANDWICH PANELS

Adequate Insulation

Adequate insulation offers thermal & acoustic insulation properties.

Best alternative

cost-efficient alternative to conventional building masonry construction where there is a higher risk of fire.

Customizable

100% customized sizes available as per the customer requirement or building requirements.

Energy savings

Low thermal conductivity helps in higher energy savings and maintains a desired temperature.

Fire Resistance

The core material of Glasswool panels is inflammable and insulating. Thus it prevents flames from spreading and is a viable choice for fire-resistant constructions.

Zero Maintenance

Glasswool insulated sandwich panels does not requires painting, any kind of maintenance.

GLASS WOOL SANDWICH PANEL MANUFACTURING TECHNOLOGY

Intended for use in commercial, industrial, residential, institutional and temporary constructions, the glass panels must be manufactured as per the highest standards of quality and efficiency. BAODU, the top notch glass wool sandwich panel manufacturer and supplier incorporates the best techniques in its production process and ensures that its customers receive unmatched products that are an example for performance and efficiency. The flexible manufacturing process results in a perfect solution for every application and serves effective benefits with its precision and high quality construction.

Technical parameters of BAODU new model fireproof sandwich panel								
Allowable vertical load and thermal conductivity of BAODU new model fireproof rockwool roof sandwich panel (allowable deflection $f \leq L/200$)								
S(mm)	W/m ² K	G(kg)	P=KN/m ²	0.60	0.80	1.00	1.20	1.50
50	0.75	15.53	L(m)	3.66	3.13	2.75	2.46	2.12
70	0.53	18.37	L(m)	4.90	4.22	3.73	3.35	2.91
100	0.41	21.21	L(m)	5.99	5.17	4.58	4.12	3.59
125	0.36	24.05	L(m)	6.91	5.96	5.28	4.79	4.14
150	0.31	26.88	L(m)	7.82	6.75	5.98	5.37	4.68
200	0.23	22.78	L(m)	9.65	8.33	7.38	6.62	5.77

RELATED PROJECT

Baodu Comany Profile

Baodu International Advanced Construction Material Co., Ltd was established in January 2010 with the office in Beijing and factory in Hebei, China. Baodu is a designer, manufacturer, supplier and exporter of industrial noise comprehensive treatment, steel structure, sandwich panel and prefab house. Baodu has an annual output of 6 million square meters of acoustic sandwich panels, 100000 tons of steel structures and 1 million square meters of floor decking sheet. The products are sold in more than 30 countries and regions around the world. Baodu has a professional design team with more than 10 years' experience, including 5 senior engineers, 20 engineers, and 35 technicians. Baodu has several energy saving and environment protection intellectual property rights, construction and environment protection design qualification, CE certification and Russian GOST certification etc. Baodu participated in the military parade village project for the 60th anniversary of China and project of Beijing Daxing International Airport. Under the guidance of China's "one belt, one road" strategy, Baodu has also undertaken overseas projects such as the project of Thar,Pakistan coal fired power plant, Hasyan Dubai power plant and so on. Finally, welcome your coming to Baodu for a visit and cooperation!

WHY CHOOSE BAODU?

As a famous manufacturer and supplier of glass wool sandwich panel in China,BAODU has forged a formidable credibility as the top Glass Wool Panel Company that offers unrivaled top quality of products and also highest criteria in performance. The manufacturing procedure satisfies worldwide high quality norms and each product offers a testimony to the business principles of accuracy as well as excellence. To get glass wool panel, BAODU is the location of selection with a wide variety of insulation and composite paneling services that offer the best function anywhere meant.
