

## 50mm EPS Wall Panels EPS Cement Sandwich Wall Panel Custom

### Our Product Introduction

#### Basic Information

- Place of Origin: HEBEI, CHINA
- Brand Name: BAODU
- Minimum Order Quantity: Discussible
- Price: \$6-7/square meter
- Packaging Details: In general, for steel structure, we use the steel frame packing to keep goods not to be broken. For sandwich panel and color steel sheet, we use the plastic packing. If the clients need special packing will according to their requirements.
- Delivery Time: 15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 10000 Perch/Perches per Month stainless steel perforated metal sheet

#### Product Specification

- Product: Soundproof Insulated Steel 50mm EPS Sandwich Panel Isolation For Wall
- Thickness: 50mm/75mm/100mm/150mm/200mm
- Top Plate/Bottom Plate: 0.4-0.8mm
- Effective Width: 950mm(Wall); 960mm(Roof)
- Length: Customized
- Density: 8kg/M3 EPS
- Color: RAL
- Advantages: Light Weight ; Waterproof ; Good Insulation ; Performance With Competitive Price
- Application: Various Roofs And Walls Of The Large Size Factory Warehouse, Exhibition Halls, Etc
- Life Time: 15-30 Years
- Highlight: 50mm eps wall panels, Cement eps wall panels, eps cement sandwich wall panel

## Product Description

### Soundproof Insulated Steel 50mm EPS Sandwich Panel isolation for Wall

EPS Sandwich panels presents an excellent substitution to traditional brick construction. EPS sandwich panels offer the same characteristics as a regular wall with added features and benefits.

EPS sandwich panels manufacturer. We offer a wide range of EPS sandwich panels manufactured using latest technology and finest quality material. EPS Sandwich panel are widely preferred for their long lasting durability, fine finishing and low cost maintenance.

Our EPS sandwich panels are extensively used in prefab houses, industrial and commercial establishments, warehouses, cold storages, military camps, office buildings and many more.

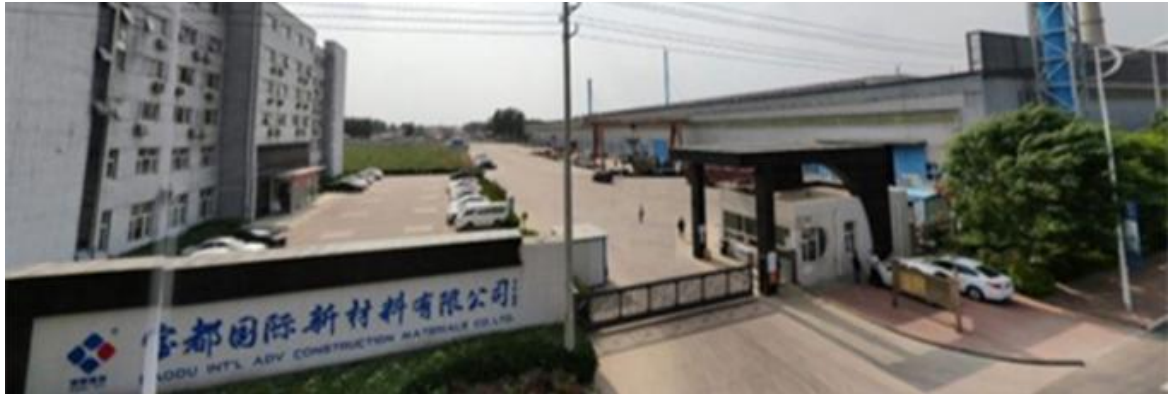

#### EPS Sandwich Panels Key Features:

- Pre engineered, Pre Painted Galvalume Steel Sheets
- Flexible features and modifications designed as per client requirements
- High load bearing capacity
- Specifications can be customized to meet clients' requirements
- Light weight EPS insulated panels that are easy and quick to install
- EPS Insulated Panels provide heat and sound insulation
- Water, fire and corrosion resistant
- Highly energy efficient EPS Insulated Panels
- Low maintenance, long lasting value

Baodu is a one-stop solution for EPS Panel Systems. Our products are used to build EPS Panel homes with EPS Sandwich wall panel and EPS Roof Panels.

#### Projects Show:

Baodu International Advanced Construction Material Co., Ltd. was established in January 2010 with the office in Beijing and factory in Hebei, China. Baodu is a designer, manufacturer, supplier and exporter of industrial noise comprehensive treatment, steel structure, sandwich panel and prefab house. Baodu has an annual output of 6 million square meters of acoustic sandwich panels, 100,000 tons of steel structures and 1 million square meters of floor decking sheet. The products are sold in more than 30 countries and regions around the world. Baodu has a professional design team with more than 10 years' experience, including 5 senior engineers, 20 engineers, and 35 technicians. Baodu has several energy saving and environment protection intellectual property rights, construction and environment protection design qualification, CE certification and Russian GOST certification etc. Baodu participated in the military parade village project for the 60th anniversary of China and project of Beijing Daxing International Airport. Under the guidance of China's "one belt, one road" strategy, Baodu has also undertaken overseas projects such as the project of Thar, Pakistan coal fired power plant, Hasyan Dubai power plant and so on. Finally, welcome your coming to Baodu for a visit and cooperation!
