

Structural Puf Aluminium Alu Sandwich Panel With Glasswool Insulation

Our Product Introduction

for more products please visit us on baodupanel.com

Basic Information

- Place of Origin: Hebei, China
- Brand Name: BAODU
- Certification: CE
- Model Number: Aluminium Sandwich Panel
- Minimum Order Quantity: Discussible
- Price: Reasonable
- Packaging Details: In general, for steel structure, we use the steel frame packing to keep goods not to be broken. For sandwich panel and color steel sheet, we use the plastic packing. If the clients need special packing will according to their requirements.
- Delivery Time: 15-20 Days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 5000 Square Meters per Day

Product Specification

- Product Name: Aluminium Structural Panel With Glasswool Insulation PU Fireproof Waterproof
- Density: 64-120KG/M3
- Application: Exterior Wall
- MOQ: 500 Square Meters
- Length: Customized
- Warranty: More Than 50 Years
- Color: Customer's Requirements
- Function: Mould-Proof, Anti-Static, Fireproof, Antibacterial, partition Wall
- Core Material: Rockwool, PU, Glasswool
- Width: 1000mm
- Highlight: **Puf alu sandwich panel,**
Insulation alu sandwich panel

Product Description

Aluminium Structural Panel With Glasswool Insulation PU Fireproof Waterproof

Product Description:

Aluminium Sandwich Panel

Aluminium Sandwich Panel is a type of composite panel made from two thin aluminium sheets and a core of insulation material. It has a density ranging from 64 to 120KG/M3 and is available in various colors. It is renowned for its waterproof, moistureproof and fireproof properties, making it a popular choice for a variety of applications. It also provides the additional advantages of being lightweight, strong, and easy to install.

Aluminium Sandwich Panels can be used in a wide range of applications, such as walls, roofs, partitions, and ceilings. They are also suitable for use in cold storage and other temperature-controlled environments. It is perfect for commercial and industrial applications, and is also suitable for residential use.

The product comes with a comprehensive after-sale service, including online technical support and onsite installation.

Features:

Fire resistance

Sound insulation

High coefficient of the thermal insulation

Fast speed of the construction

Energy efficiency - that enables us to apply cost-effective solutions while keeping the preferred temperature level in the building

Technical Parameters:

Product	Rock Wool Sandwich Panel	Rock Wool Sandwich Panel with Pur or Pir Edge
Fireproof rating	Rock wool A grade	Rock wool A grade;PU B1 grade
Installation type	Hidden screw type	Hidden screw type
Width	1000mm	1000mm
Top plate/Bottom plate	0.4-1mm	0.4-1mm
Core thickness	50mm,75mm,100mm,120mm,150mm,200mm	50mm,75mm,100mm,120mm,150mm
Length	Less than 11.8m (For transport need)	Less than 11.8m (For transport need)
Density	100-180kg/m3	100-180kg/m3
Color	White, Red, Blue,Customized	White, Red, Blue,Customized
Connection Way	Hidden	Hidden
Sound insulation	20-25db	20-25db
Application	various walls of large size factory warehouse, exhibition halls,gymnasiums	various walls of large size factory warehouse,exhibition halls, gymnasiums

Support and Services:

Technical Support and Service for Aluminium Sandwich Panel

We provide customized technical support and service for Aluminium Sandwich Panel. Our experienced technical team is available to help with your questions and needs. We offer:

Free installation tutorials and support

Online and telephone support

On-site visits for troubleshooting and repairs

Free maintenance and warranty services

Free product updates and upgrades

We understand the importance of providing reliable technical support and service to our customers. Our team is dedicated to helping you get the most out of your Aluminium Sandwich Panel.
