

Construction Prefab Steel Warehouse Metal Storage System OEM

Our Product Introduction

for more products please visit us on baodupanel.com

Basic Information

- Place of Origin: Hebei,China
- Brand Name: BAODU
- Certification: ISO9001,CE
- Model Number: Steel Warehouse
- Minimum Order Quantity: Discussible
- Price: Discussible
- Packaging Details: In general, for steel structure , we use the steel frame packing to keep goods not to be broken . For sandwich panel and color steel sheet, we use the plastic packing . If the clients need special packing will according to their requirements.
- Delivery Time: 21days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 10000 Square Meter/Square Meters per Month

Product Specification

- Product Name: Prefab Warehouse Construction Easy Installation High Durability
- Maintenance: Low
- Installation: Easy
- Material: Steel
- Durability: High
- Door: Sliding Door, Rolling Door, Shutter Single Door, Color Steel
- Weather Resistance: High
- Window: Aluminum Alloy Window, Plastic Steel
- Processing Service: Bending, Welding, Decoiling, Cutting, Punching
- Usage: Warehouse, Transportation Package, Medical Industrial, Warehouse Storage

Prefab Warehouse Construction Easy Installation High Durability

Product Description:

Steel Warehouse is a gable frame steel structure designed for Workshop Industrial applications. It is highly durable, with a ±1% tolerance, and easy to install. The steel materials used provide excellent weather resistance and ensure a long-term, reliable use. The roof and wall of the Steel Warehouse come in corrugated/EPS/PU/Rock Wool/glass Wool options, allowing for greater customization.

The Steel Warehouse is a perfect choice for Workshop Industrial applications due to its excellent durability, weather resistance and easy installation. It is made of high quality steel materials that are reliable and long-lasting, with a ±1% tolerance. The roof and wall of the Steel Warehouse can be customized according to customer needs, coming in corrugated/EPS/PU/Rock Wool/glass Wool options.

The Steel Warehouse is an ideal choice for industrial applications, boasting high durability, weather resistance, easy installation and ±1% tolerance. The steel materials used provide excellent weather resistance and ensure a long-term, reliable use. The roof and wall of the Steel Warehouse come in a variety of options, including corrugated/EPS/PU/Rock Wool/glass Wool, which allow for greater customization.

Our Services

1, Drawing: We have a high-efficiency design team. If you provide us the information about the building ,for example : snow load, wind load ,the grade of earthquake, you can get a piece of detailed drawing.

2, Installation: We can send our engineer to on-site of the building and our engineer will guide the installation .

If you are interested in our steel structure , please give us the following information:

1 Location (where will be built?) ____country, area

2 Size: Length*width*height ____mm* ____mm* ____mm

3 wind load (max. Wind speed) ____kn/m2, ____km/h, ____m/s

4 snow load (max. Snow height) ____kn/m2, ____mm

5 anti-earthquake ____level

6 brickwall needed or not If yes, 1.2m high or 1.5m high

7 thermal insulation If yes, EPS, fiberglass wool, rockwool, PU sandwich panels will be suggested; If not, the metal steel sheets

will be ok. The cost of the latter will be much lower than that of the former.

8 door quantity & size ____units, ____ (width)mm* ____ (height)mm

9 window quantity & size ____units, ____ (width)mm* ____ (height)mm

10 crane needed or not If yes, ____units, max. Lifting weight ____tons; Max. Lifting height ____m.

Applications:

BAODU Steel Warehouse: Prefab Warehouse Construction for High Durability and Weather Resistance

BAODU steel warehouse is a prefab warehouse construction for large-scale storage. It is made of high-quality galvanized steel structure with a model number of Steel Warehouse and Place of Origin of Hebei, China. It is certified with ISO9001, CE and the minimum order quantity is discussible. The packing details are general steel frame packing for steel structure and plastic packing for sandwich panel and color steel sheet, and the delivery time is 21days. It supports payment terms of L/C, D/A, D/P, T/T, Western Union, MoneyGram and has 10000 Square Meter/Square Meters supply ability per month. The product has a tolerance of ±1%, purlin of C.Z Shape Steel and roof and wall of corrugated/EPS/PU/Rock Wool/glass Wool. It has superior weather resistance and high durability.

Technical Parameters:

Main structure	Welded H Section or Hot rolled H section steel
Purlin	C Section or Z Section
Roof/Wall Cladding	Corrugated plate,PU,EPS,Rock Wool,Fiber Glass sandwich panel
Tie bar	Round Steel Tube
Brace	angle steel, round bar or steel pipe
Knee Brace	Angle Steel
Roof Gutter	Color Steel Sheet
Rain spout	PVC Pipe
Door	Sliding Sandwich Panel Door or Metal rolling door
Windows	PVC/Plastic Steel/Aluminum Alloy Window
Connecting	High Strengthen Bolts, Normal bolts with nuts
Packing	As per your request
Drawing	We can make the design and quotation according to your detailed conditions or as per your drawin
After-sale Service	Online technical support, Onsite Installation, Onsite Training, Onsite Inspection, Free spare parts, Return and Replacement, Other, workshop, warehouse, prefabricated steel structure building, low cost prefab warehouse
Project Solution Capability	graphic design, 3D model design, total solution for projects, Cross Categories Consolidation, Others, steel Structure Prefabricated workshop warehouse, prefabricated steel structure building, low cost prefab warehouse

Packing and Shipping:

- (1)Packing the main frame steel structure components together with secondary parts by channel tray and belt.
- (2)Packing the purlin into the bundles by the steel strip
- (3)packing the small parts by bags and EPS foam
- (4)packing sets parts by some box
- (5)Loading all the packages into the container.

FAQ:

Q&A:

Q1: What is the Brand Name of the Steel Warehouse?

A1: The Brand Name is BAODU.

Q2: What is the Model Number of the Steel Warehouse?

A2: The Model Number is Steel Warehouse.

Q3: Where is the Place of Origin of the Steel Warehouse?

A3: The Place of Origin is Hebei,China.

Q4: What is the Certification of the Steel Warehouse?

A4: The Certification is ISO9001,CE.

Q5: What is the Minimum Order Quantity of the Steel Warehouse?

A5: The Minimum Order Quantity is Discussible.
