

## ASTM Wall Steel Metal Cladding Panels For Construction Decoration

Our Product Introduction

for more products please visit us on [baodupanel.com](http://baodupanel.com)

### Basic Information

- Place of Origin: Hebei,China
- Brand Name: BAODU
- Certification: ISO 9001
- Model Number: Steel Wall Cladding
- Minimum Order Quantity: 300square meters
- Price: \$4-6square meter
- Packaging Details: In general, for steel structure , we use the steel frame packing to keep goods not to be broken . For sandwich panel and color steel sheet, we use the plastic packing . If the clients need special packing will according to their requirements.
- Delivery Time: 15days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 5000 Square Meter/Square Meters per Day

### Product Specification

- Product Name: Baodu High Durability Steel Wall Cladding For Construction Decoration
- After-sale Service: Online Technical Support, Onsite Installation,
- Density: 7.85
- Application: Exterior Wall
- Weight: 3-10kg/square Meter
- Fireproof Performance: Excellent
- Color: Various Colors
- Standard: AISI,ASTM,GB,JIS
- Highlight: **ASTM Wall Metal Cladding Panels, ASTM Metal Cladding Panels, ASTM steel wall cladding**

# Baodu High Durability Steel Wall Cladding For Construction Decoration

## Product Description:

**Steel Wall Cladding** is an exterior wall protection system made of steel, designed to protect buildings from weather and debris. It is characterized by its high density and its ability to provide total project solutions across categories. It is available in widths from 600mm to 1000mm and offers a range of graphic design and 3D model design options. Steel Wall Cladding is the perfect solution for any exterior wall protection needs, providing a safe and secure steel wall protection system, steel wall cladding system, and steel wall enclosure system.

## Features:

Not only is it aesthetically pleasing to the eye, wall cladding has numerous other benefits including: -----  
Cost efficiency; As it is thermally efficient and regulates the temperature of your property. This means the correct installation will reduce your heating and cooling costs.  
Long lasting; Wall Cladding is easy to maintain; a good wash down is all it needs to keep it looking great for many years to come. It is lightweight and corrosion resistant.  
Durable; Wall cladding also resists chipping, blistering and flaking in normal weather conditions.  
Modern; Modernise the look and feel of your property by cladding the internal or external walls.

## Applications:

Our colored steel wall panels will allow you to meet different standards for agricultural, industrial, and residential buildings, such as schools, hospitals, apartments, offices, museums, warehouses, theaters, and other buildings. It has features as follow:

1. Offer you multiple attractive options from color, design, specification, etc.
2. High durability and excellent corrosion resistance
3. Easy and fast installation, which can save your construction costs
4. Less maintenance to reduce your cost

## Customization:

We provide customization service for Steel Wall Cladding of **BAODU** brand, with the model number of **Steel Wall Cladding**. Our product is certified with **ISO 9001** and we offer reasonable prices. The minimum order quantity is discussible.  
The package of the product is general steel frame to keep the goods from being broken, and sandwich panel and color steel sheet is packed with plastic. Special packing is available upon customer's request. Delivery time is 15 days and payment terms are L/C, D/A, D/P, T/T, Western Union, MoneyGram. We can supply up to 1000 Square Meter/Square Meters per Day.  
This Steel Wall Cladding is suitable for exterior wall with width ranging from 600mm-1000mm. It is easy to install and has excellent corrosion resistance. We also offer graphic design, 3D model design, total solution for projects across categories consolidation.

## Support and Services:

Steel wall cladding provides technical support and services to cover all aspects of installation, maintenance, and repair. Our dedicated team of experts is available to help with any questions or concerns you may have. Our services include:

**On-site installation and product training**

**In-depth product knowledge and expertise**

**Assistance with maintenance and repair**
