

1000mm Width 64kg/M3 Glass Wool Panel Fireproof Thickness 75mm

Our Product Introduction

for more products please visit us on baodupanel.com

Basic Information

- Place of Origin: Hebei,China
- Brand Name: BAODU
- Certification: CE
- Model Number: Glasswool Sandwich Panel
- Minimum Order Quantity: Discussible
- Price: Reasonable
- Packaging Details: In general, for steel structure , we use the steel frame packing to keep goods not to be broken . For sandwich panel and color steel sheet, we use the plastic packing . If the clients need special packing will according to their requirements.
- Delivery Time: 15days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 5000 Square Meters per Day

Product Specification

- Product Name: 1000mm Width 64kg/M3 Fireproof Glass Wool Sandwich Panel
- Material: Glasswool
- Length: Customized
- Project Solution Capability: Graphic Design 3D Model Design Total Solution For Project
- Color: Customer's Require
- Panel Type: Glasswool Sandwich Panel
- Thickness: 50mm 75mm 80mm 100mm 125mm 150mm 200mm
- Warranty: More Than 50 Years
- Highlight: **customized glass wool sandwich panel , 1000mm width glass wool panel , thickness 75mm glass wool panel**

1000mm Width 64kg/M3 Fireproof Glass Wool Sandwich Panel

Product Description:

Glasswool Sandwich Panel is a foam color steel exterior wall roof construction material. It is made from Glasswool, which provides excellent fireproof, waterproof, soundproof, thermal insulation and environmental protection features. The length of the panel can be customized according to the requirements of the project. It is not only suitable for a variety of roof and wall construction projects, but also suitable for 3D model design graphic design and other project solutions. In addition, Glasswool Sandwich Panel has good thermal insulation performance, strong bearing capacity, strong seismic resistance and strong compression resistance. It is an ideal choice for roof and wall construction.

Features:

Product Name: [Glasswool Sandwich Panel](#)

After-sale Service: [Online Technical Support](#), [Onsite Installation](#)

Panel Type: [Glass Fiber Sandwich Panel](#), [Fireproof Glass Wool Sandwich Panel](#), [Fire Resistance Glasswool Acoustic Light Weight](#)

[Thermal Insulation Sandwich Panel](#)

Color: [Customer's Require](#)

Material: [Glasswool](#)

Advantage: [Fireproof/ Waterproof/ Soundproof/ Thermal Insulation/ Environmental](#)

Technical Parameters:

Allowable vertical load and thermal conductivity of BAODU new model fireproof glasswool roof sandwich panel (allowable deflection 1sL/200)								
S(mm)	W/m ² K	G(kg)	P=KN/m ²	0.60	0.80	1.00	1.20	1.50
50	0.69	12.95	L(m)	3.74	3.23	2.86	2.57	2.23
70	0.47	14.50	L(m)	5.01	4.34	3.86	3.48	3.05
100	0.36	16.04	L(m)	6.21	5.32	4.73	4.28	3.75
125	0.34	17.06	L(m)	7.11	6.31	5.77	4.93	4.32
150	0.33	19.14	L(m)	8.00	6.94	6.18	5.58	4.89
200	0.30	22.78	L(m)	9.79	8.56	7.63	6.88	6.00

Applications:

BAODU Glasswool Sandwich Panel – Fireproof, Fire Resistance, Acoustic, Light Weight & Thermal Insulation

BAODU glasswool sandwich panel is a fireproof, fire resistance, acoustic and light weight thermal insulation panel, made of high-quality glasswool material. It is certificated by CE and ensures maximum safety in commercial and residential applications. It has a density of 64kg/m³, and has undergone extensive testing to ensure its durability and performance. The panel is ideal for use in a variety of applications, such as residential, commercial, and industrial buildings.

The panel is highly resistant to fire, and it can effectively reduce the spread of flames and smoke. It is also very effective in reducing sound transmission, making it ideal for areas where noise reduction is required. The panel is very light weight, making it easy to install. It also provides excellent thermal insulation, keeping the inside temperature cool in the hot summer months and warm in the cold winter months.

The panel is available in a variety of sizes and colors to meet individual needs. It is easy to install and requires minimal maintenance. The panel is also offered at a reasonable price, making it an attractive choice for many construction projects. BAODU also provides onsite installation services, as well as online technical support and a total solution for project.

Support and Services:

Glasswool Sandwich Panel provides a wide range of technical support and after-sales services, including:

[Onsite survey and evaluation of product performance](#)

[Onsite installation and maintenance service](#)

[Help with product selection and design](#)

[Provide professional technical advice on installation and maintenance](#)

[24/7 online technical support](#)

Packing and Shipping:

FAQ:

- Q. What is Glasswool Sandwich Panel?
- A. Glasswool Sandwich Panel is a type of steel structure panel made of two thin sheets of steel and Glasswool insulation. It is produced by BAODU, a Hebei, China based company with CE certification.
- Q. What is the minimum order quantity?
- A. The minimum order quantity is discussible.
- Q. What is the price of the Glasswool Sandwich Panel?
- A. The price of the Glasswool Sandwich Panel is reasonable.
- Q. How is Glasswool Sandwich Panel packed?
- A. In general, for steel structure, we use the steel frame packing to keep goods not to be broken. For sandwich panel and color steel sheet, we use the plastic packing. If the clients need special packing, it will be done according to their requirements.
- Q. What is the delivery time?
- A. The delivery time is usually 15 days.
- Q. What payment terms are available?
- A. Payment terms such as L/C, D/A, D/P, T/T, Western Union, MoneyGram are available.
