### Product Specification

- Material: Glasswool
- Color: Customer's Require
- Design Style: Modern
- Sample: Free Sample
- Project Solution Capability: Graphic Design 3D Model Design Total Solution For Project
- Panel Type: Glasswool Sandwich Panel
- Width: 1000mm
- Length: Customized
- Highlight: **glasswool sandwich panel fireproof, 100mm thickness glass wool sandwich panel, soundproofing glass wool sandwich panel**

## Product Description

### Product Description:

Glasswool Sandwich Panel - The Ideal Choice for Modern Buildings

The Glasswool Sandwich Panel is a type of foam color steel exterior wall roof panel that offers a variety of benefits. Its modern design, fire resistance, waterproofing, soundproofing, thermal insulation, and environmental friendliness make it the perfect choice for any building project.

Advantages:

**Fireproof:** The Glasswool Sandwich Panel is made from fire-resistant materials, making it a safe and reliable choice for any building.

**Waterproof:** Its surface treatment can be customized to provide maximum waterproofing, protecting the building from water damage.

**Soundproof:** The panel's dense structure and high-quality materials provide excellent sound insulation, creating a quiet and comfortable indoor environment.

**Thermal Insulation:** The Glasswool Sandwich Panel has a density of 64kg/m<sup>3</sup>, making it an effective thermal insulator that can help reduce energy costs and maintain comfortable indoor temperatures.

**Environmental:** This panel is made from environmentally friendly materials and does not release harmful chemicals, making it a sustainable and eco-friendly choice.

Design Style:

The Glasswool Sandwich Panel has a modern and sleek design that can complement any building style. Its clean lines and customizable surface treatment make it a versatile option for both residential and commercial buildings.

Product Specifications:

**Panel Type:** Foam color steel exterior wall roof panel

**Density:** 64kg/m<sup>3</sup>

Panel Type: Glasswool Sandwich Panel

Color: Customer's Require

The Glasswool Sandwich Panel by BAODU is a revolutionary product that offers superior insulation and durability for all your building needs. Made from high-quality glasswool material, this sandwich panel is designed to provide excellent thermal and acoustic insulation, making it an ideal choice for various applications.

Application

The Glasswool Sandwich Panel is suitable for a wide range of applications, including:

Industrial buildings

Commercial buildings

Residential buildings

Agricultural buildings

Cold storage facilities

Soundproof rooms

Why Choose Glasswool Sandwich Panel?

The Glasswool Sandwich Panel is a highly versatile and cost-effective solution for your building needs. Its key features include:

Superior Insulation: The glasswool material used in the panel offers excellent thermal and acoustic insulation, making it energy-efficient and soundproof.

Durable: The panel is made from high-quality materials that are resistant to fire, water, and corrosion, ensuring long-term durability.

Easy Installation: The lightweight and modular design of the panel make it easy to install, saving time and labor costs.

Customizable: The panel can be customized according to your specific requirements in terms of size, color, and thickness.

Eco-Friendly: The glasswool material used in the panel is environmentally friendly and can be recycled.

Product Features

The Glasswool Sandwich Panel has the following features:

Panel Type: Glasswool Sandwich Panel

Material: Glasswool

Color: Customizable

Size: Customizable

Thickness: Customizable

Warranty: More than 50 years

Sample: Free sample available

Our Glasswool Sandwich Panel is a top-of-the-line product that offers fire resistance, acoustic insulation, lightweight construction, and thermal insulation. It is perfect for a variety of applications, including commercial buildings, industrial facilities, and residential homes. With our customization service, we can tailor our Glasswool Sandwich Panel to meet your specific needs and requirements. Our experienced team will work with you to determine the best panel type and thickness for your project, ensuring maximum performance and efficiency.

In addition, our panels are made with high-quality materials and undergo strict quality control measures to ensure durability and longevity. We are confident in the quality of our product and offer a warranty of more than 50 years.

Choose BAODU for your Glasswool Sandwich Panel needs and experience the best in fire resistance, acoustic insulation, lightweight construction, and thermal insulation. Contact us today to discuss your project and learn more about our customization service.

## Support and Services:

## Packing and Shipping:

Packaging and Shipping of Glasswool Sandwich Panel

The Glasswool Sandwich Panel will be carefully packaged to ensure its safe transportation and delivery to the customers. The following packaging and shipping methods will be applied:

Packaging:

The panels will be wrapped in plastic film to protect them from moisture and dust.

Styrofoam or other shock-absorbing materials will be used to provide extra protection for the panels.

The panels will be packed in strong wooden crates or pallets to prevent any damage during transportation.

Labels with detailed product information and handling instructions will be attached to each package.

Shipping:

The Glasswool Sandwich Panel will be shipped by sea, air, or land, depending on the customer's preference and location. The shipping methods will be chosen to ensure the fastest and most cost-effective delivery.

Delivery Time:

The delivery time will vary depending on the shipping method and the destination. Customers will be informed of the estimated delivery time when placing their orders.

Customs Clearance:

All necessary documents for customs clearance will be provided to ensure a smooth and timely delivery process. Any additional costs or delays due to customs procedures will be the responsibility of the customer.

With our careful packaging and efficient shipping methods, we are confident that the Glasswool Sandwich Panel will arrive at its destination in perfect condition, ready to be installed and used.

## FAQ:

Q: What is the brand name of this product?

A: The brand name of this product is BAODU.
