

One Stop Service Efficient Prefab Aircraft Hangar Light Steel Structure

Our Product Introduction

for more products please visit us on baodupanel.com

Basic Information

- Place of Origin: Hebei,China
- Brand Name: BAODU
- Certification: ISO9001,CE
- Model Number: Steel Warehouse
- Minimum Order Quantity: Discussible
- Price: Reasonable
- Packaging Details: In general, for steel structure , we use the steel frame packing to keep goods not to be broken . For sandwich panel and color steel sheet, we use the plastic packing . If the clients need special packing will according to their requirements.
- Delivery Time: 15-21days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 10000 Square Meter/Square Meters per Month

Product Specification

- Fire Resistance: High
- Application: Steel Storage,factory Or Logistic Warehouse
- Weather Resistance: High
- Roof And Wall: Corrugated/EPS/PU/Rock Wool/glass Wool
- Surface Treatment: Hot Dip Galvanised Or Painted
- Security: High
- Size: Customized
- Purlin: C/Z Galvanized Steel(Q235)
- Structure Type: Long-span Grid Structure
- Design Style: Industrial
- Highlight: **One Stop Service Aircraft Hangar, Light Steel Structure Aircraft Hangar, Efficient Prefab Aircraft Hangar**

ONE-STOP Service Prefab Aircraft Storage Hangar Prefabricated Steel Hangar , Steel Structure Metal Building Hangar Warehouse

Product Description:

With its light steel structure design, this warehouse steel structure building workshop is easy to install and can be assembled quickly and easily. Whether you're looking to expand your business or need a new warehouse, our prefab steel warehouse is the perfect solution. One of the key benefits of our warehouse steel structure building workshop is its high fire resistance. Made from steel, this building is able to withstand high temperatures and is less likely to suffer from fire damage compared to other materials. In terms of design, our warehouse steel structure building workshop is built using a gable frame steel structure. This type of structure is known for its strength and durability, making it ideal for industrial applications such as warehouses and workshops. Overall, if you're looking for a reliable and durable warehouse steel structure building workshop that is easy to install and has high fire resistance, our prefab steel warehouse is the perfect choice. Don't hesitate to contact us today to learn more about this amazing product!

Features:

Main structure	Welded H Section or Hot rolled H section steel
Purlin	C Section or Z Section
Roof/Wall Cladding	Corrugated plate,PU,EPS,Rock Wool,Fiber Glass sandwich panel
Tie bar	Round Steel Tube
Brace	angle steel, round bar or steel pipe
Knee Brace	Angle Steel
Roof Gutter	Color Steel Sheet
Rain spout	PVC Pipe
Door	Sliding Sandwich Panel Door or Metal rolling door
Windows	PVC/Plastic Steel/Aluminum Alloy Window
Connecting	High Strengthen Bolts, Normal bolts with nuts
Packing	As per your request
Drawing	We can make the design and quotation according to your detailed conditions or as per your drawin
After-sale Service	Online technical support, Onsite Installation, Onsite Training, Onsite Inspection, Free spare parts, Return and Replacement, Other, workshop, warehouse, prefabricated steel structure building, low cost prefab warehouse
Project Solution Capability	graphic design, 3D model design, total solution for projects, Cross Categories Consolidation, Others, steel Structure Prefabricated workshop warehouse, prefabricated steel structure building, low cost prefab warehouse

Technical Parameters:

If you are interested in our steel structure , please give us the following information:

- 1 Location (where will be built?) _____country, area
- 2 Size: Length*width*height _____mm*_____mm*_____mm
- 3 wind load (max. Wind speed) _____kn/m2, _____km/h, _____m/s
- 4 snow load (max. Snow height)_____kn/m2, _____mm
- 5 anti-earthquake _____level
- 6 brickwall needed or not If yes, 1.2m high or 1.5m high
- 7 thermal insulation If yes, EPS, fiberglass wool, rockwool, PU sandwich panels will be suggested; If not, the metal steel sheets will be ok. The cost of the latter will be much lower than that of the former.
- 8 door quantity & size _____units, _____(width)mm*_____(height)mm
- 9 window quantity & size _____units, _____(width)mm*_____(height)mm
- 10 crane needed or not If yes, _____units, max. Lifting weight _____tons; Max. Lifting height _____m.

Applications:

BAODU Steel Warehouse is a high-quality prefab steel structure product that is manufactured in Hebei, China. It has received certification from ISO9001 and CE, ensuring its quality and reliability. The minimum order quantity is discussible, and the price is reasonable, making it accessible to a wide range of clients.

When it comes to packaging, the steel frame is used to avoid any damage during transportation, while plastic packing is used for sandwich panels and color steel sheets. Special packing is also available based on the client's requirements. The delivery time is estimated to be 21 days. Clients can choose from various payment options such as L/C, D/A, D/P, T/T, Western Union, and MoneyGram. The supply ability is 10000 Square Meter/Square Meters per month.

BAODU Steel Warehouse is a perfect solution for prefabricated warehouse construction. It is ideal for various application occasions and scenarios, such as steel warehouse workshops, hangars, halls, and other industrial buildings. The product has high weather and fire resistance, making it suitable for any location and environment. The use of Q235 and Q355 grade steel ensures high security, while the tolerance is $\pm 1\%$, making it a precise and reliable product.
